

Drop Box/Waste Receptacle Placement Permit

P.O. Box 278, St. Helens, OR 97051 ♦ 503-397-6272

The purpose of the drop box placement ordinance is to ensure that the placement of drop boxes and waste receptacles protects the safety and integrity of neighborhoods. This request is for exception to Municipal Code 8.44, for placement of drop boxes or waste receptacles for a period of time in excess of fourteen (14) days in a 30-day period.

The drop box or other waste receptacle shall be placed immediately in front of the property of the person using the drop box or other waste receptacle. At least 10 ft. of clearance is available between the center line of the traveled portion of the street and edge of the drop box or other waste receptacle. The drop box or other waste receptacle may not be left in the right of way for more than 14 days in a 30-day period. [Ordinance No. 3034, Section 3]

I have read Municipal Code Section 8.44 Drop Boxes and Other Waste Receptacles, and fully understand my obligation to properly place any drop box or waste receptacle in accordance with this code and applicable state and federal laws. I, further understand that this permit is valid only for the period approved by this permit.
