(1) "Gambling" means that a person stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under the control or influence of the person, upon an agreement or understanding that the person or someone else will receive something of value in the event of a certain outcome.

"Gambling" does not include:

(a) Bona fide business transactions valid under the law of contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including but not limited to contracts of indemnity or guaranty and life, health or accident insurance.

(b) Engaging in contests of chance under the following conditions:

The contest is played for some token other than money; an individual contestant may not purchase more than \$100.00 worth of tokens for use in the contest during any 24-hour period; the tokens may be exchanged only for property other than money; except when the tokens are exchanged for a beverage or merchandise to be consumed on the premises, the tokens are not redeemable on the premises where the contest is conducted or within 50 miles thereof; and except for charitable, fraternal or religious organizations, no person who conducts the contest as owner, agent or employee profits in any manner from operation of the contest.

(c) Social games.

(d) Bingo, lotto or raffle games or Monte Carlo events operated in compliance with ORS 167.118, by a charitable, fraternal or religious organization licensed pursuant to ORS 167.118, 464.250 to 464.380, and 464.420 to 464.530.

(2) "Social game" means:

(a) A game, other than a lottery, between players in a private home where no house player, house bank or house odds exist and there is no house income from the operation of the social game; and

(b) A game, other than a lottery, as authorized in this chapter, between players in a private business, private club or place of public accommodation where no house player, house bank or house odds exist and there is no house income from the operation of the social game.

(3) "Gambling device" means any device, machine, instrument, paraphernalia, equipment or other property that is used or usable in the playing phases of unlawful gambling, whether it consists of gambling between persons or gambling by a person involving the playing of a machine. Lottery tickets, policy slips and other items used in the playing phases of lottery and policy schemes are not gambling devices within this definition. Amusement devices other than gray machines, that do not return to the operator or player thereof anything but free additional games or plays, shall not be considered to be gambling devices.

(4) "Player" means a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of the particular gambling activity. A person who

gambles at a social game of chance on equal terms with the other participants therein is a person who does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor and supplying cards or other equipment used therein. A person who engages in bookmaking is not a player. (Ord. 3117, 2009)

9.14.020 Gambling prohibited.

No person shall participate in, operate or assist in operating any gambling game or activity, except as otherwise expressly provided in this chapter. No person shall have in his or her possession any gambling device. Any such gambling device is a nuisance and may be summarily seized by a police officer. Property so seized shall be placed in the custody of the chief of police of the city of St. Helens. Upon conviction of the person owning or controlling a gambling device for a violation of this section, the municipal judge shall order such property confiscated and destroyed. (Ord. 3117, 2009)
