Jan. 14, 2016

St. Helens City Council

To Council Members:

We are writing to request a donation for our annual St. Helens Sports Booster Auction. We have discussed some options and thought you might consider donating one of the following items: A month's worth of payment on a water bill (could be capped at a set dollar amount) or a one-time rental of one of the city parks.

We are a non-profit booster athletic club that supports St. Helens High School and Middle School sports. Our mission is to promote wholesome athletic activities for our young people. We are in the midst of raising money for the demolition of dilapidated tennis courts at St. Helens High School and the installation of new courts. Currently we have raised \$123,000 for the \$190,000 project. This is in addition to purchasing equipment and uniforms for teams, rewarding athletes with meals and scholarships, and other projects.

We would greatly appreciate any items that you can donate to our oral and/or silent auction held on May 7, 2016, with the expected attendance of more than 200 guests. We will gladly provide a tax receipt for any donation. Our tax ID number is 93-0911196.

Thank you for taking your time,

Kyle Boggs  
St. Helens Sports Booster Club President  
541-609-8547

## City of St. Helens General Fund – Five Year Forecast FY 16-17 through FY 20-21

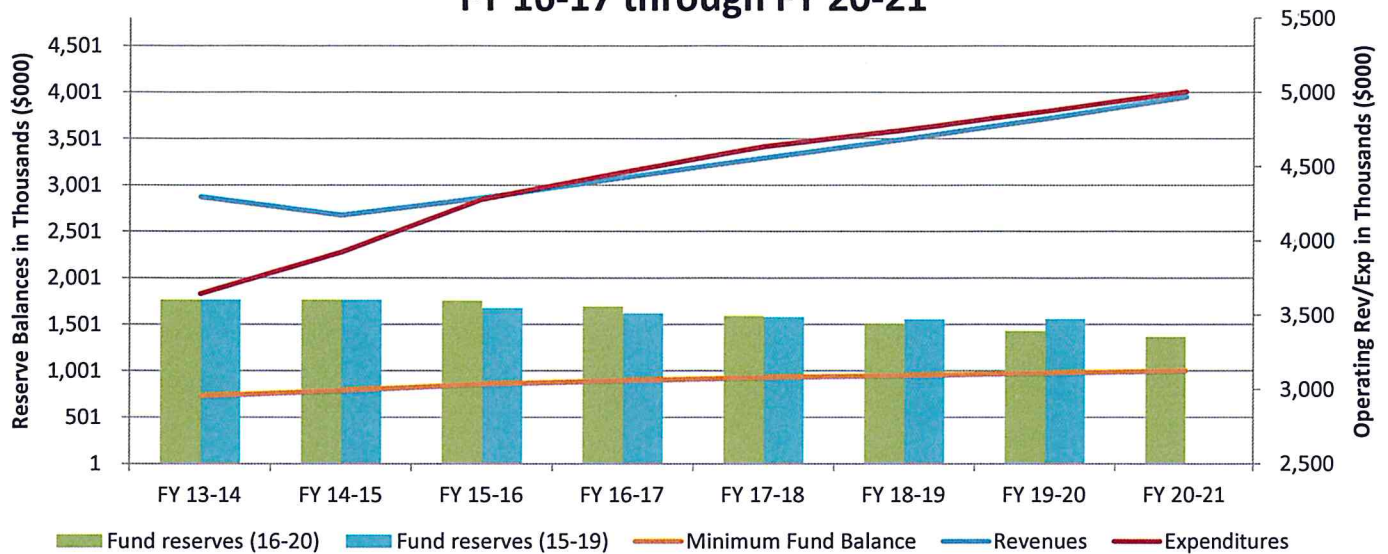

Over the projected five year time horizons expenditures will start exceeding revenues in Fiscal Year 2017-18 primarily due to the PERS retirement rates increasing 20% on July 1, 2017.

- Resulting in overall increase of \$220,000 of which \$98,000 impacts the general fund.

Other changes that effected the model from last year are:

- Personnel costs are less than projected prior to FY 17-18 due to staff turnover resulting in few employees at the top step of their pay ranges. This is partially offset by current year payout of employees vest accruals.
- Property taxes and building permits forecast increases have been modified to reflect more conservative assumptions (reduced).

## City of St Helens General Fund - Five Year Forecast FY 16-17 through FY 20-21

	Historic	Projected	Forecast					
	FY 13-14	FY 14-15	FY 15-16	FY 16-17	FY 17-18	FY 18-19	FY 19-20	FY 20-21

## Memorandum

To: Mayor and City Council

From: John Walsh, City Administrator

Subject: **Administration & Community Development Dept. Report**

Date: February 3, 2016

---

*Planning Division Report* attached.

*Business License Reports* attached.

## **CITY OF ST. HELENS PLANNING DEPARTMENT ACTIVITY REPORT**

**To:** City Council  
**From:** Jacob A. Graichen, AICP, City Planner

**Date:** 1.26.2016

This report does not indicate all *current planning* activities over the past report period. These are tasks, processing and administration of the Development Code which are a weekly if not daily responsibility. The Planning Commission agenda, available on the City's website, is a good indicator of *current planning* activities. The number of building permits issued is another good indicator as many require Development Code review prior to Building Official review.

### **PLANNING ADMINISTRATION**

Helped review the draft Existing Conditions report created by the City's Maul Foster & Alongi consultants for the waterfront area-wide plan effort.

### **DEVELOPMENT CODE ENFORCEMENT**

After receiving some indirect complaints about a certain busing posting advertising on utility poles, I contacted the business owner who said they would have them removed.

### **PLANNING COMMISSION (& *acting* HISTORIC LANDMARKS COMMISSION)**

January 12, 2016 meeting (outcome): The Commission had two public hearings. The Commission recommended adoption of the latest batch of code amendments to the Council. The Commission also recommended approval of an annexation at 35092 Pittsburg Road. The Council is the approval authority on these matters.

I also asked for feedback on how to address a land use permit (Site Design Review) issue for 1965 Old Portland Road. This was part of the Commission's acceptance agenda.

February 9, 2016 meeting (upcoming): One public hearing is scheduled for a major modification of a Conditional Use Permit at 1809 Columbia Boulevard. This is required due to request for expansion of floor area for the proposed use.

The Commission will also address its annual chair and vice chair positions selection.

### **GEOGRAPHIC INFORMATION SYSTEMS (GIS)**

Starting to explore attaining new aerial imagery. The most recent imagery we personally possess as a city is from 2009.

Assisted EcoNorthwest, a consultant firm utilized by the City, with some GIS data for their work with us.

### **MAIN STREET PROGRAM**

Worked with the Community Coordinator to finish the 1<sup>st</sup> quarterly assessment required by the RARE program.

### **UPCOMING LAND USE ISSUES BEFORE COUNCIL**

On Feb. 3<sup>rd</sup>, the Council will have two public hearings. One is an appeal of a denial of a Conditional Use Permit by the Planning Commission at 1771 Columbia Boulevard. Please avoid ex parte contacts on this matter; some controversy is possible. This will be followed by an annexation along Pittsburg Road, which shows no controversy thus far.

**ASSISTANT PLANNER**—*In addition to routine tasks, the Assistant Planner has been working on:*

**See attached.**

## Jacob Graichen

---

**From:** Jennifer Dimsho  
**Sent:** Tuesday, January 26, 2016 11:37 AM  
**To:** Jacob Graichen  
**Subject:** January Planning Department Report

Here are my additions for the January Planning Department Report.

1. Arts & Cultural Commission (ACC): Gateway Sculpture Phase 2 Project – Met with Ampersand Productions on 01/15 for Kickstarter video plan and worked on pre-production. Continued drafting content for Kickstarter campaign. Held Sub-Committee meeting and attended ACC meeting to update group.
2. Collaborated with Columbia Community Mental Health on a Mobile Crisis Services Grant Application (Potentially 750k for 3 years of programming) – Met weekly at CCMH throughout January
3. Reviewed Draft Task #1 -Existing Conditions for AWP – Scheduled AWP Meeting #1 with Advisory Committee and prepared invite
4. Met with EcoNW to discuss Port of St. Helens IPP scope of work. Followed up with Port of St. Helens for grant reporting requirements.
5. Met with Col-Pac to discuss Agora platform and how it could benefit the City for funding capital projects
6. Participated on the KOHI “City Talk” News Broadcast – 1/22
7. Began work on OPRD’s 2016 Local Government Grant Program for a parks picnic shelter - Drafted cost estimates, letter of support, & application narrative
8. Helped prepare and submit application to Portland State University’s Oregon Innovation Award (Potential for 1,000 hours of work from a student in the Center for Public Service program)
9. Researched OPRD’s Oregon Heritage Commission – Museum Grant Program Guidelines and met with CC Museum Curator to brainstorm potential projects
10. Attended Columbia Health Coalition at the Public Health Foundation of CC – 1/26

### **Soup Night with Award-winning Author Maggie Stuckey:**

Imagine living on a block where everyone knows everyone else, people trust and watch out for each other, children thrive, seniors feel safe, and a genuine sense of community replaces isolation. This isn't a fantasy, and it isn't time travel back to the 1950s; it's happening right now, in communities all across the United States.

In *Soup Night: Recipes for Creating Community Around A Pot of Soup*, Maggie Stuckey shares mouth-watering recipes, stories from neighbors around the country who have found success with their own Soup Nights, and practical advice for starting your own stress-free gathering.

The St. Helens Public Library will host a Soup Night on February 18th, complete with soups made from recipes found in the book. Join us as Maggie shares practical tips about the writing life and how to build a genuine community through the simple act of sharing a meal.

Maggie Stuckey is a versatile author and editor with eleven books to her credit. Several of her books have been selections of Book of the Month Club, and two recent books are bestsellers: *Soup Night: Recipes for Creating Community Around a Pot of Soup*, and *The Bountiful Container: Create Container Gardens of Vegetables, Herbs, Fruits, and Edible Flowers*. In 2014, *Soup Night* won a Silver Nautilus Award, given to "well-written and -produced books with messages about caring for, understanding, and improving every aspect of our lives and relationships." In addition to writing, Maggie has appeared dozens of times on regional television magazine shows around the country, and is often invited back, has conducted 27 radio interviews, and was a guest on QVC's popular show "In the Kitchen with David". **February 18th at 7:00 pm in the Library**

**Calling All Local Artists - The First Annual Recycled Book Art Show at the St. Helens Public Library:** The Friends of the St. Helens Public Library are sponsoring the first annual Recycled Book Art Show which will be exhibited at the Library **throughout the month of February 2016**. Recycled art includes collage, assemblages, wall hangings, sculpture, and other 2 or 3-dimensional artwork. The Friends group is also accepting functional designs which include pieces that serve practical functions in the household, business or outdoor setting (for example, furniture, light fixtures, planters, birdhouses, et cetera). Keeping the showcase and wall space of the library in mind, we would like to suggest you submit a reasonably-sized art piece. Content should be geared toward an exhibition suitable for a public space.

There are numerous recyclable books at the St. Helens Public Library for use in this show. These books will be available at the library during normal business hours – please ask library staff to direct you to those books that are available for recycled art projects. Deadline: Artworks will be accepted at the St. Helens Public Library on Saturday, January 30th from 10:00 a.m. to 2:00 p.m. Submission forms will be available when you turn your work in. If you are in need of more information please contact Barbara Weaving Lines at 503-397-9978.

### **Teen Gaming Nights:**

Hang out and play games with friends! The library owns Wii-U, PS4, and XBOX One consoles, as well as iPads. There are many games to choose from for each platform. Stay for the entire time or drop in as long as you are able. Parents will need to sign a permission slip before teens will be allowed to participate.

**Wednesday, February 3, 5:00 – 6:30 p.m. - Auditorium**

**Wednesday, February 17, 5:00 – 6:30 p.m. - Auditorium**
