

City of St. Helens
RESOLUTION NO. 1859

A RESOLUTION ESTABLISHING GARBAGE & RECYCLING
RATES AND SUPERSEDING RESOLUTION NO. 1813

WHEREAS, St. Helens is a growing community and according to Hudson Garbage, we have not seen a general increase in many years. Last year, we received a significant increase that was dedicated solely to the recycling market crisis that affected the entire United States recycling industry. Beyond that, population growth and efficient operations have allowed Hudson to operate without general cost of living rate adjustments since 2010. With customer growth flattening and continuing wage and cost pressures, they are requesting a modest increase to reduce the need for a large one-time request in the next 1-2 years; and

WHEREAS, City of St. Helens' rates are relatively low compared to surrounding communities when both residential and commercial rates are considered together. Hudson Garbage is requesting a 3.0% rate adjustment plus the flow-through of disposal fee changes at the Columbia County Transfer Station. The effective increase of about 4.0% varies depending on the disposal component of each rate. After the adjustment, rates will remain competitive.

NOW, THEREFORE, THE CITY OF ST. HELENS RESOLVES AS FOLLOWS:

Section 1. Effective retroactively to July 1, 2019, garbage and recycling rates for the City of St. Helens are hereby adopted as set forth in **Exhibit A**, attached hereto and made a part hereof by this reference.

Section 2. This Resolution supersedes Resolution No. 1813.

Approved and adopted by the City Council on July 17, 2019, by the following vote:

Ayes: Locke, Carlson, Morten, Topaz, Scholl

Nays: None

Rick Scholl, Mayor
